Geography Curriculum Journey

(Human Processes/Features)

Reception

I can talk about why Rickmansworth Park is where it is—near to people and houses

Year 1

I can describe things I would see in my local area—school, the park behind my school, Scots Hill, Rickmansworth centre.

I **know** some of the famous landmarks in London—Big Ben, Buckingham Palace, The London Eye

Year 2

I can describe the different homes there are in Rickmansworth—flats, detached and semi detached houses, barges etc.

Year 3

I can talk about famous landmarks in North and South America—Christ the Redeemer, The statue of Liberty

I can explain how different climates determine what jobs people do –coffee plantations

Year 4

I can **explain** how rivers impact humans and why people settle near a river

I can describe the different transport links in Rickmansworth – tube, train, car, buses, motorway, canal

I explain how indigenous inhabitants live in the rainforest

Year 5

I can explain how volcanoes affect humans

I can explain how people survive natural disasters

I can explain why migrants are coming to Greece.

Year 6

I can **explain** how the UK manages energy needs.

I can explain how the amenities in Rickmansworth serve the local residents

Year 7

I will learn about what causes population change, e.g. immigration and meeting the needs of that.
