Geography Curriculum Journey

(Cultural Diversity)

Reception

I **know that** my friends live near to me and that we live in different types of houses

Year 1

I can explain that people live in places that are different—urban, town

Year 2

I know that people who live in the village of Mugurameno in Zambia live differently to people who live in the UK

Year 3

I know that people who live in Rio, South America, live differently to people who live in the UK

I can explain that people who live in different parts of the world have different jobs because of the climate they live in.

Year 4

I know that people who live in the Congo live differently to people who live in the UK

Year 5

I understand that there is a migrant crisis in the Mediterranean as people are having to flee their own

Year 6

I can describe and explain the sorts of industries in which people in the UK work.

Year 7

I will learn how migration can lead to increased cultural diversity in a host country
