Autumn Term 11/09/26

Newsletter

Welcome back

It has been an absolute delight to welcome our children, colleagues and families back to school. The children look wonderful in their school uniform and have already settled back into school routines. Behaviour around school has been exemplary and it has been lovely to see the children so happy to be back in school for what we are sure will be another amazing academic year at Rickmansworth Park.

New to Year group parent meetings have all taken place. If you were unable to make it, please look out for the detailed Curriculum Newsletters that will be arriving via email.

ExploRE

The children and staff have all thoroughly enjoyed the ExploRE experience in the school hall this week. They all have involved themselves in fun, thoughtful and creative ways to consider the world around them. It was lovely to see so many of you being shown around by your children on Thursday after school.

Watford Schools Trust, who have set up and run the event, are a charity who carry out wonderful work with all classes every year. They have been very grateful for your kind donations via ParentPay.

Planting Daffodils

Our new Reception class has been busy preparing for next spring.

The children have enjoyed planting daffodil bulbs in the outdoor area.

Last week we received the sad news of the death of Mrs Judith Mackie, who founded Rickmansworth Park School in April 1977 and was Headteacher here until 1993. Mrs Mackie was incredibly proud of the school and dedicated so much of her life to ensuring every child that came through the door received the very best education. We are proud that her legacy lives on.

We would like to invite you all to join us for our Macmillan fundraising event on **Friday 25th September at 1:45pm**.

On Friday **25th September, at 2:15pm**, straight after the Macmillan event, we invite parents and carers to a very important online safety meeting in the school hall. This will be presented by Lizzy Wilkinson-Duck, who is a trained CEOP Ambassador (Child Exploitation and Online Protection) and contains the most up-to-date guidance and support for parents. Every year parents learn something new about keeping their child safe in a rapidly changing online world.
